At BBPS we have a strong set of values. These values are integrated into all aspects of our school and wider community. One of our six values is ‘Friendliness’ ie Being helpful and kind to all people who come to our school. It means

- Offering a smile and a welcoming hand.
- Encouraging and supporting others.
- Taking a genuine interest in people and making others feel welcome, whether they are part of our school community or not.

Welcome back. I hope everyone had a safe and restful holiday and feel refreshed and excited about the many opportunities that exist for Term 2. Welcome especially to our new students: Jessie W, Imogen D, John C and Ben N. I trust you have had a positive start at Burraneer Bay Public School.

Welcome back to Mrs Dawson who has been on long service leave and thank you to Miss Petrou who has been teaching 4-5D in Mrs Dawson’s absence. Miss Gaffney has also returned from leave and our thanks go to Amanda Campbell for teaching 2G in Mrs Gaffney’s absence. Mrs Stannard, also returns from leave. Thank you to wonderful work Mrs McGrath has done keeping our busy library moving along smoothly. A special welcome to all of our pre-service teachers who will be working with us this term:

Alexia Salter KW, Brittany Peat 4-5D, Georgia Sargeant 3S, Angelique Lithgow 5T, Evelyn Vayzer 6T and Jordan Townsend 6M and Georgia Purcell 1S.

ANZAC MEMORIAL SERVICE

Thank you to the Year 6 students for their preparation of artworks and written poems and stories at our ANZAC service at the end of Term 1. You are to be congratulated on the maturity and reverence you demonstrated throughout the service. The behaviour of all who attended was outstanding. Thank you also to the many parents, grandparents and community parents who attended our Anzac Day Memorial Service. Cronulla RSL proudly supports this initiative each year and Year 6 has been invited by Cronulla RSL Sub-branch to visit the Kokoda Memorial Track on Tuesday 13th May. A big thank you to our School Captains, Prefects and students from other classes who attended various services on April 25th. www.burraneerb-p.schools.nsw.edu.au/news/anzac-day-2014

SCHOOL DEVELOPMENT DAY

Last Monday all staff participated in a very productive program of professional learning.
- Staff familiarised themselves and discussed the implications of the Great Teaching Inspired Learning recommendations. These recommendations are in response to a discussion paper commissioned by the Education Minister that will become NSW Government’s blueprint for improving the quality of teaching and learning in our schools over the next few years and has implications for initial teacher education, entry into the profession, how the system will develop and maintain accreditation and how the system will recognise and share outstanding practice.
- All staff shared their understandings of the Literacy continuum and identified teaching strategies they use to support a student’s placement on the continuum. It was particularly interesting to see student work samples that supported their placement.
- Staff participated in a very hands on activity that involved using ‘Hovercams’. These amazing document cameras have a large range of applications in the classroom and teachers were able to explore their various uses. Attached to a laptop and interactive whiteboard the thirteen Hovercams have been used extensively over the last week and the P&C is proposing the purchase of another 14 to allow one in every class.

SPORT

The new season for PSSA and Term 2 sports commenced last Friday and I thank parents/carers for returning permission notes beforehand. This allowed for a smooth start for our eight netball teams, four soccer teams, two rugby league teams and students who participate in golf, gymnastics, swim and gym, tennis and school sport. Good luck to the many students currently trialling for Cronulla Zone teams.

PERMISSION TO ATTEND EXCURSIONS

Several grades have excursions planned to supplement their studies at school. You will find these listed on the Term 2 Calendar further on in the newsletter (Vaucluse House Yr1, Kokoda Memorial Track Yr 6, Athletics Carnivals). Please note that students who do not have written permission, have not paid or whose parent has not made a separate arrangement with the Principal will not be able to attend. Phone calls to parents will not be made on the morning of an excursion. If your child is unable to attend the excursion because they are sick, please phone the office (not SMS).

STUDENT SAFETY

Last week all teachers reminded children of the procedures they should follow if they are unsure whether they are being picked up or expected to walk home. It is understood that sometimes families need to change their afternoon arrangements. Young children sometimes forget new or unfamiliar arrangements. **All students should go to the office if their parent/carer does not arrive or is running late.** It is not acceptable for primary aged children to wait outside the school fence unsupervised. Executive staff supervises children waiting for buses. All families are asked to leave the playground as quickly as possible after classes commence and after school finishes. The climbing equipment is for the use of enrolled students only, and only when directly supervised by a teacher.

Congratulations to Indiana K, Tiahna W, Annika A for their selection in the Sydney East Region Hockey team and to Lachlan B, Ty C, and Jai W for their selection in Sydney East Rugby League teams. Congratulations to all the students who received awards and pennants at our Term 1 Pennants and Values Assembly.

Greg Fitzgerald

PEER SUPPORT ACTIVITIES

Peer Support is a peer led program which is designed to develop leadership skills, teamwork and promote a positive ethos within our school. After undergoing leadership training, Year 6 Peer Leaders help to implement the program where they work with multi age groups of about fifteen younger students. The groups will meet
Applications for Year 5 Opportunity Class Placement in 2015
Parents wishing to apply for Year 5 opportunity class placement in 2015 on behalf of their children are now able to access the online application site. Paper applications are also available from Mrs Moss or the office. Parents are encouraged to apply online and should use one of the options only. Parents are able to access the online application at www.schools.nsw.edu.au/ocplacement. If applying online you will need to have an email address (not the student’s email address), access to the internet and a printer.
Information provided on paper application forms will be scanned so it is imperative that parents be aware that they should not cross out or use whiteout but should start a new paper application if they have made a mistake. Applications, whether completed online or on paper will close on Friday 16 May 2014. Applications after Friday 16 May 2014 will generally not be accepted.
An “intention to apply” letter will be issued to all Year 4 students as a hard copy. Offers for opportunity class placement will be made on the basis of the Opportunity Class Placement Test results and school assessment. The Opportunity Class Placement Test will be held on Wednesday 23 July 2014.

Annual School Report on School Website
The 2013 Annual School Report is available online on the school website. It can be viewed or downloaded by going to ‘Our School’ then ‘Annual School Report’.

Staff Car Park and School Driveways
Despite repeated reminders there continues to be a number of drivers who repeatedly park in the staff car park and allow children to exit their vehicle, then walk unaccompanied through the car park. This occurs on a daily basis and is unacceptable. Child safety is paramount and this is not safe practice. I am seeking your cooperation to protect our vulnerable children. Do not park in the car park or use it as a drop off zone. Teachers regularly remind children they are not allowed to walk into the school drive ways or the school car parks and discuss the reasons why. Could all parents please reinforce this message with their children? I have also asked staff to remind all parents who they see accessing the car park of their responsibilities.

We’re Taking It in Our Stride on Friday, 23 May 2014
Well it’s that time of year again when our school seriously starts talking about walking!
Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn’t realistic for many of us, it’s quite easy to figure out how you can build a walk into your family’s daily routine.
You can teach your child the healthy habit of walking more by:
- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way.
Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.
Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey for Friday 23 May 2014! For more information, visit www.walk.com.au
STARTSMART
This term students from Years 1 and 4 will be participating in free workshops that will help teach them about financial literacy. The workshops are designed to make money management interactive, engaging and fun. The program equips students with the confidence and competence to make smart decisions about money. It’s never too early to teach children the value of money. Research indicates that it is crucial to develop financial literacy skills from an early age. The StartSmart Primary program teaches these skills in a way that students can understand and enjoy. It was developed with a panel of leading specialists in primary education, cognitive development, instructional design and financial literacy.

The StartSmart Primary program is delivered as 3 separate workshops according to year group and teaches money skills in a way that students can understand and enjoy. The exciting characters ‘Gobbles’, ‘Coach Cash’, and ‘Captain Super Cents’ take students on an adventure in new money skills. Students will learn to identify and understand currency, the difference between ‘wants’ and ‘needs’, the importance of saving and budgeting and how to shop around for the best deal.

Our School is conducting a trial of our own Skoolbag iPhone App to help us communicate more effectively with our parent/student community. We are trialling the iPhone version for 30 days, if we continue with the App after the trial we will then get the Android version in the Google Play Store. The BBPS P&C Association is asking parents to install our Skoolbag App. To install it, just look for our school name “Burraneer Bay Public School” in the Apple App Store, and install it on your iPhone.

STEWART HOUSE DAY – FRIDAY 9TH MAY
To celebrate this day and to help raise money for this worthwhile charity we are selling High Bounce Handballs to the children for $3 each this week. Please support this excellent charity which provides opportunities for children in N.S.W. and ACT who need a break from their everyday life. Burraneer Bay School has supported Stewart House for many years as our charity of choice. We would appreciate your support with this worthy cause.

VOLUNTARY CONTRIBUTIONS
All schools request a Voluntary Contribution from parents each year to supplement existing funding. Our school relies on these contributions to provide additional resources and learning programs for our students. This voluntary payment is an essential part of our school’s budget which impacts enormously on our school's ability to provide and maintain quality resources for students. Although it is voluntary, all money that is contributed is used to purchase equipment and resources for all students. The voluntary contribution in 2014 is $ 80 per single student or $120 per family with two or more
children at the school. Payments can be made on any day to the Office Letter Box before 11.30am by cheque, cash or Credit.

Please note that the Voluntary Contribution is different to the Resource Levy that families were asked to pay in March as a lump sum or in two instalments. The Resource Levy covers specific items that are required by each class in 2014. Families who have not yet paid the first instalment of the Resource Levy will receive an invoice for all outstanding payments during May.

PAYMENTS ONLINE FACILITY COMING SOON
Commencing 20th May, 2014 it will be possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the schools website by selecting $ Make a payment

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and some components of dance eg costumes). There is also a category called Other to cover items not covered in the previous headings, ‘Other’ can be used to make a complete payment of a school invoice.

When you access the $ Make a payment you must enter:

- the students name, and
- class and reference number OR
- the students name, and
- date of birth.

These details are entered each time you make a payment as student information is not held within the payment system. There is also the option to enter the Student Registration Number and Invoice number these are not used at our school, please leave blank.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child’s account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the School Administration Office.

BULLY PROOF YOUR CHILDREN
In March, Kathy Nicoll, our school chaplain, organised a seminar at our school by Interrelate, on How to Bully Proof Children.

“It was great to see so many parents attend. It was a very informative night which really helped us understand bullying and we were given practical strategies for dealing with bullying. It was alarming to find out that one in five children will be bullied at school. It was very reassuring to have the tools given to us as parents to deal with bullying. I realised as parents we play an important role in not only responding and supporting children if bullying does happen, but also in building our child’s self-esteem, confidence and resilience, all of which will help strengthen our child if faced with a bullying situation.

Another important point was made with regards to how important open the lines of communication are which is essential to ensure the problem of bullying does not continue undetected.

It was very reassuring as a parent to know and hear that our school has a preventative and proactive approach to bullying.

Thank you to the school and Kathy Nicoll for organising this very informative seminar and thank you to Mr Fitzgerald, Mrs Moss and their team for leading the way in bully-proofing our children.”

Tracy Peters
P and C President
Some of the programs that are implemented at BBPS that help to promote resilience, build empathy and assist in “bully proofing” children are summarised below

BOUNCE BACK
At Burraneer Bay we have a strong Values Program. Our core values – Respect, Fairness, Friendliness, Responsibility, Personal Best and Integrity – are linked to the development of Resilience. All children from Kindergarten to Year 6 participate in activities from the Bounce Back program, especially as part of Peer Support activities. This program is a Resiliency Program. It is designed to teach our students how to become more resilient. It incorporates practical classroom-friendly activities and strategies that can be integrated across all Key Learning Areas. The program is based on Values. It teaches the children the skills and strategies they need to cope with the difficult times that sometimes come their way. It improves self esteem, reinforces the development of a more positive and supportive school culture.

CIRCLE TIME
One of the key components of the Bounce Back program is Circle Time. Circle Time brings together the teachers and their students in an enjoyable atmosphere of cooperation. It is a time set aside each week when students and their teachers sit in a circle. The circle is a symbol of unity and equality and it encourages all the children to have a go. The design of Circle Time protects against some children being left out. The children take part in games and activities that develop positive relationships and encourage them to work together. When the students come to the circle, they know they are accepted and equally valued. Communication is central to Circle Time. The games, discussions and activities are structured so that everyone has an equal opportunity to contribute. Circle Time encourages the children to listen to others and to reflect on their feelings and the feelings of others. It aims to help the students to value themselves, to value others and to value the group.

RESTORATIVE PRACTICE
Restorative Practice forms the basis of our Discipline Policy at Burraneer Bay. Through Restorative Practice we seek to enhance relationships among students, and between students, teachers and parents. The implementation of this practice has helped us develop a common language and practice that can be used by teachers, students and parents when dealing with behaviours that can be challenging. Restorative Practice gives us an explicit framework to work with. It is not a program. Instead it is a way of identifying practices that work. The Restorative Practice philosophy provides our students with the opportunity to develop self discipline and positive behaviours. It fosters healthy relationships and stronger school communities by focusing on harm and relationships as opposed to blame and punishment. A Restorative approach encourages students to appreciate the consequences of their actions for others. It enables students to make amends where their actions have harmed others. At Burraneer Bay we believe that a positive school climate, in which young people feel connected, is the best environment for learning.

P&C Meeting – Tuesday 6th May
In the staffroom 7.30pm-9.00pm
All parents and carers are welcome

CANTEEN REMINDER
Due to recent increases from our suppliers for our base ingredients the canteen has had to increase the prices of some of our products. We have managed to keep our prices as low as possible but an increase now is necessary. We recently supplied Nippys fruit cups which the children found were difficult to open. We have now found a new supplier and will return to stocking Bevco fruit cups. The Bevco fruit cup is a better product with lower sugar content than the Nippys fruit cup. We have been able to keep the fruit cup price down for the last 6 years but will now need to increase the price as the suppliers price has increased. We apologize for the increases but unfortunately they are necessary. The following food items have been increased.
Fruit cups 70c
Pies $4.00
TERM 2 – WEEK 2

Pizzas $1.20
Salads $3.50 extra 50c for a bread roll.
The Autumn/Winter menu reflecting these price increases will come into effect terms 2 and 3. The canteen thanks you for your understanding.
Catherine and Debra
Canteen Supervisors.

SCHOOL PHOTOS – DAY 1

Wednesday May 7th

A few reminders - We have 2 photo days next term. Our first photo day will be on Wednesday May 7. Please note the second day will be on Thursday June 5.

On Day 1, all of the children from Kindergarten to Year 6 will have their class photo and individual photo taken.

On Day 2, Family photos and special interest groups such as Band and Choir and Dance (if their costumes are finished) will be taken.

Children are to wear their Summer Uniform for their class photos.

All Photo Envelopes needed to be placed in the secure letter-box in the administration block by Monday May 5.

Every child is to have his/her own photo envelope.

If you would like your children to have a Family Photo taken, you need to fill out an additional yellow envelope. This envelope is available from the school office.

Please be aware that it is an extremely difficult process to select and confirm two dates for whole school photos each year and it is not possible for the school to change these dates. Many school based factors are considered when choosing a date. It is regrettable however if a child does not attend on the designated date the school will not be able to reschedule the date.

All inquiries regarding photos should be made directly with the school office or Mrs Moss, not the School Photographer.

MOTHERS DAY STALL

Thursday 8th May

at 12pm in the Hall

All gifts will come in a brown bag (ideal for kids to draw a picture or two on), with an easy-to-carry handle to get it home.

There will be no ‘IOUs’ this year, so all parents are requested to mark the date in their diary and ensure your child comes to school with their money or cheque if you wish to purchase a gift from the stall. Most gifts are $10 with the exception of two $15 gift sets which are great for multiple children families. We also have a limited selection of beautiful jewellery which are $10 each – well below retail – a thoughtful gift from hubby perhaps?

Students will be accompanied by their teacher during class time to make a purchase from the stall, class-by-class.
Children With Type 1 Diabetes - Are You Challenged by Your Child's Diabetes?

Research into parenting children with type 1 diabetes.

The University of Queensland is conducting research into parenting children with type 1 diabetes. Parenting a child with diabetes presents many challenges (everything from the regular blood glucose monitoring and insulin intake, to more general parenting tasks). The aim of this study is to understand the factors that make the management of childhood diabetes particularly difficult, and to use this information to develop strategies that might assist parents in managing their child's diabetes.

If you are a parent of a 2 to 10-year-old child with type 1 diabetes, we would love to hear from you!

By sharing your experiences (confidentially), you will be making a valuable contribution to the development of much-needed childhood diabetes management strategies for parents.

To complete the online survey, please log on to: https://exp.psy.uq.edu.au/type1diabetes

For further information about the project or to request a survey to be posted to you, please email Aditi Lohan (aditi.lohan@uqconnect.edu.au) or call (07 3365 7689) at the Parenting and Family Support Centre in the School of Psychology at the University of Queensland, St Lucia QLD 4072 (Fax: 07 3365 6724).

Thank you for your time and participation.

Aditi Lohan, Alina Morawska, and Amy Mitchell

UQ Parenting and Family Support Centre

TERM CALENDAR

2014

Monday 5  Online applications open for Opportunity Class placement in 2015
Tuesday 6  Cronulla Zone Touch Trials, P&C Meeting 7.30pm, Snr Band rehearsal 8am, Startsmart Money Skills Program Yr 4, $20 due Yr 6 Kokoda Walkway excursion
Wednesday 7  Mothers Day Stall setup in afternoon, Class and individual photo day (summer uniform), K-2 Assembly – cancelled, $13 due Zone Cross Country
Thursday 8  Mothers Day Stall 12pm in hall
Friday 9  PSSA, Stewart House Day
Monday 12  Cronulla Zone Cross Country, Jnr Band rehearsal 8am
Tuesday 13  NAPLAN Testing Yrs 3 and 5, Year 6 Kokoda Memorial Track (leave 9am), Snr Band rehearsal 8am,
Wednesday 14  NAPLAN Testing Yrs 3 and 5, K-2 Assembly – 1L
Thursday 15  NAPLAN Testing Yrs 3 and 5
Friday 16  PSSA, All Opportunity Class applications due (online and paper)
Monday 19  Cronulla Zone Softball trials, Jnr Band rehearsal 8am, Payments online facility begins
Tuesday 20  Snr Band rehearsal 8am, ICAS Computer Test tbc, Canteen meeting
Wednesday 21  Kindergarten Transition Night 7pm Cronulla HS Library, K-2 Assembly –K/1T

Monday 17-19  Year 4 Waterslea Overnight Excursion
Tuesday May 6th  7:00pm—8:00pm (AEST) Simply go to  http://tinyurl.com/k5ce4x5 to register for this FREE  Session or go to  http://tinyurl.com/k5ce4x5

ABOUT YOUR PRESENTER

Leonie Smith is a Cyber Safety educator and consultant with over 20 years experience building online communities and using the internet for marketing, broadcasting, and now education. Leonie is a mum of four children aged between 31 years and 14 years old and  is also known as “The Cyber Safety Lady”.

Leonie educates about how to stay safe online through her presentations, her writing, her step by step videos and her “One Of A Kind” Cyber Safety Manual “Keeping Kids Safe Online” She also works privately with clients to help with issues around cyber bullying and safety online.

Leonie will discuss:

- Its never too early or late to learn about technology
- Protecting your child from adult content
- Tips on how to keep up with your digital child
- How to get kids to switch off without all the drama
- Keeping your child social AND safe
- Dealing with and preventing cyber bullying
- Learn how to protect your child’s digital reputation
- Find out who your child is talking to online without spying
- Ways to talk to your child about their online responsibility
- AND MUCH MORE!
Building Stronger Families

A 20 minute Presentation by Guest Speaker Melissa Honour.

Melissa Honor has been working with families for 25 years. She is committed to equipping parents to raise children in an informed and respectful way, is passionate about giving children skills to live a full and satisfying life, and enjoys teaching couples how to communicate effectively, manage anger and resolve conflict.

Date: 21st of May 2014

Time: 12:00pm for Nibbles, Presentation to begin at 12:30pm followed by a Sausage sizzle, drinks and music

Location: The Hub - Shop 38, 52 President Ave, Caringbah NSW 2229

RSVP by 16th of May to Jo Love to joannehub@bigpond.com or 9525 4971
