Students are asked not to bring nuts and nut products to school

Burraneer Bay Public School E-Newsletter

2nd June, 2014

Our six values are integrated into all aspects of our school and wider community. For the remainder of the term we are focusing on the value of ‘Fairness’ and what it means. As it is National Reconciliation Week it is an appropriate time to emphasise the meaning of ‘fairness’. Please reinforce the meaning of this value with your child. ‘Fairness’ means treating people equally without showing any favouritism and accepting that everyone is different. It means
- Always playing fairly
- Never criticizing or making fun of others because they are different
- Including everyone equally.

Peer Support
Congratulations to all of our Year 6 students who led our first peer support activity recently. With the assistance of our wonderful senior students a multi-age group of approximately fifteen students engage in lessons designed to foster positive relationships, optimism, resilience, anti-bullying strategies, playground games and promote Burraneer Bay Public School values. The program empowers young people to learn about their fellow students, support each other and work as a team to contribute positively to our school.

Gold Day Fund Raiser
Congratulations to all of our Student Representative Council members. The SRC have published their first report further on in this newsletter. I was fortunate to meet with Lachlan S (President) and Ella C (Vice President) who discussed some of their ideas that will make our school a better place. They are very excited about our Term 2 fundraiser to help the Sydney Children’s Hospital on Tuesday. All students are invited to wear pyjama mufti and bring in a gold coin donation. Cakes, cookies, brownies and other baked goods can be purchase on the day. Students travelling to Vaucluse House on Tuesday will be able to purchase from a selection of cakes and slice while at Vaucluse House and are invited to wear their pyjamas on Wednesday.

SKOOLBAG App
Our School now has our own Skoolbag iPhone and Android App to help us communicate more effectively with our Parent/Student community. We are asking parents/students to install our Skoolbag School App. To install it, just search for our school name “Burraneer Bay Public School” in either the Apple App Store, or Google Play Store. More details at the end of the newsletter.

Thank you
Our school is extremely fortunate to have so many people in our community who are able to help our school provide such a range of opportunities to the children.
Thank you to the P&C Social Events committee for organizing the Footy Family Fun Night. The kids had a ball playing on the hill and watching the game. Luke J from 5F was the winner of “meet the team” and took a very excited little brother, Bryce, and Mac H with him! The boys were covered in signatures when they came out and were beaming! You can read about their reaction further on in the newsletter. Thank you to the Sharks for accommodating our school in this way.

Don’t miss the next ‘Social Event’. All children, staff and families are invited to an egg and bacon breakfast between 8.30am and 9am in what will be a fun start to the day. Children can dress in their favourite ‘Friday the 13th’ mufti gear. Primary students will still need to wear their sports uniform underneath. Look out for other key events being planned for Term 3 eg Father’s Day Stall, Father/Child Breakfast, Parent Formal Night and a Family Movie Night on the oval.

A big thank you to Kristen Devane who has been endorsed by the P&C as Secretary for 2014. Thank you also to Jane Prosser for volunteering to coordinate the New Uniform Shop and to the other volunteers who responded to the request for assistance. Volunteers are reminded of new Working With Children Check Procedures:

- At BBPS volunteers who have direct contact with children are required to complete a ‘Working With Children Check Declaration for Volunteers and Contractors’ (Appendix 5) and a Proof of Identity that meets the 100-point check (Appendix 6). Both documents will be filed in secure storage. Forms are available from the office.
- The application process for a WWCC Clearance is as prescribed by the Children’s Guardian. For the full conditions, please visit the website at http://www.kids.nsw.gov.au/

Thank you to the P&C for the amazing efforts of so many thoughtful parents who put on such a wonderful morning tea for our female staff on May 9th. Staff were all very moved by such a thoughtful gesture. Thankyou to the students in Mr Tindall, Mr Fisher and Mrs Dawson’s classes who decorated the gift boxes and wrote such lovely words inside. Thankyou to our wonderful and inspiring teachers who mother our children each day.
Thank you to Don, our loyal and dedicated Traffic Supervisor, for his many years of friendly service at the Gannons Road crossing. Don retired recently from his role which he fulfilled in rain, hail and shine. Thank you Don for caring so much for all of our students.

Applying For Grants
In the last newsletter a request went out for a volunteer to coordinate any grants that become available that are relevant to our school. A big thank you to Margaret Seaberg who has already got the ball rolling.

BBPS has submitted some wonderful entries into a competition last week. Students were asked to use no more than 100 words to state “How their primary school would use a $5,000 grant to encourage healthy, active lifestyles amongst our students.” Read the combined effort from Olivia C, Jayde J, Josie G and Owen C’s entry further on in this newsletter.

All twenty-seven classes now have a ‘hovercam’ thanks to Year 6 who funded five from their fund raising activities and thanks to the P&C for supporting our request to provide this useful tool to every class.

Congratulations to Mrs McGrath who has been appointed permanently (subject to a ten day appeal period) as Teacher/Librarian to Woolooware Public School following the merit selection process. We have been very fortunate to have Mrs McGrath on our staff in a temporary capacity for several years now and we wish her well in this next stage of her career. Thank you Mrs McGrath for the creative and innovative ways you have enhanced children’s learning in the Library.

Mr Tindall is away all of this week as Manager of the Sydney East Rugby League team along with Lachlan B and Ty Curran who will be competing in the 11 year old NSWPSSA rugby league championships. 6T will be taught by Miss Lawrence. What an honour for both boys. Congratulations also to the following boys who will be representing BBPS, the Cronulla Zone and the Sydney East Region at the Rugby League State Carnival on Thursday. Mr Hallworth will be encouraging the boys from the sideline: Reid J, Jasper A, Kai R, Kevin H, Troy W, Adam S, Thomas L and William G.

Year 1 students are heading to Vaucluse House on their excursion over the next two days. Our P&C Meeting will be held on Tuesday at 7.30pm. All parents/carers are welcome to attend. Students will be sitting the ICAS Science test on Wednesday and need to be seated on the aluminium seats at 8am. Good luck to all our dancers who will be performing on Thursday 5th June at the Sutherland Entertainment Centre at 6.30pm in the Dancing Stars Concert. Please remember that Thursday is also Photo Day for families and school groups (more details will be sent home tomorrow)

SEMESTER 1 REPORTS
Our school reports on students’ progress with written reports twice a year and provides ongoing detail through interviews or meetings. The software teachers use to create the report on student progress does not comply with our needs. Staff have been learning how to use a new format that offers features that the current format doesn’t provide. It also has to be compliant with the way we want to report achievement based on the new English syllabus. The current template and format for reporting on student achievement in English has not been finalized and consequently, an interim format has been utilized for reporting student progress in English. An overall grade for achievement (A-E) and effort (unsatisfactory – excellent) will be given for English this semester. The overall comment for English will outline how your son/daughter has progressed this semester in the content areas of;
- Speaking and listening
- Writing and Representing
- Reading and viewing
- Spelling

For the staff to be given adequate time to implement the new software and complete Semester 1 reports properly the reports we will not go out until the first two weeks in Term 3 and interviews will follow.

**PLEASE HELP**
BBPS is fortunate to have a communication system in our school that allows urgent messages to be conveyed between the office and each classroom. Increasingly, the school receives requests from parents to pass on messages to children after classes have commenced. Sometimes this is unavoidable and is generally done during breaks, otherwise it is disruptive to students during class time. Most requests occur late in the school day and because of the increasing large number there will be times, due to lack of office staff, that it is difficult to get a message to a class.

**CRONULLA SHARKS RUGBY LEAGUE GALA DAY - Tuesday 20th May 2014**
Our two footy teams played their hearts out in this Gala Day put on by the Sharks. Both teams were very impressive in making it to their respective finals. In the Juniors, we won our three pool games 14-0 against Woolooware, 28-6 against St Patricks and 8-6 against Jannali East. We were defeated 12-0 by Engadine West in the final in a tough game. They were just a little too strong. The seniors won their pool games 14-6 against OLF and 16-0 against Star of the Sea. They were outstanding in their final against Gymea Bay. Sometimes sport can be cruel and the winner of this intense and skilful game was decided by way of first points scored. Although the boys were disappointed to say the least, they can be very proud of their efforts. Mr Knoflack

**REMININDER: OFFICE HOURS 8.30am – 3.15pm**

**KINDERGARTEN 2015**
We are now taking enrolments for Kindergarten 2015. If you or your neighbours have children due to start school in 2015 please advise them to contact the office to complete an Expression of Interest.

**CANTEEN**
There is updated information on the school website for volunteers working in the canteen. Go to the following link. http://www.burraneerb-p.schools.nsw.edu.au/canteen/menu
SHARKS FAMILY FOOTBALL NIGHT
On Monday, 26th May, our wonderful P&C organised a Family Football Night. We sat on the hill and watched the Rabbitohs demolish the Sharks. During school on the Monday, my name was announced as the winner to have the chance to meet the players in the dressing rooms after the match. Luckily, I got to take my brother Bryce and best mate Macca to meet the players after the game. We got the players’ signatures and even had the chance to have photos taken with them. It was a fantastic experience and we’re so grateful to our school community for organising events and opportunities for us to attend. (Luke J and Mac H from 5F)

SCHOOL POLICY ON REFUNDS
Teachers plan excursions, Friday sport activities, guest speakers and various activities which supplement the educational programs being offered in classrooms. These activities usually have a cost associated with them. Occasionally children are disappointed when they are unable to participate in the activity because they are
sick on the day, or late to catch the bus etc. In such cases parents sometimes request a refund of the fees that have been paid.

In making a decision regarding a refund one issue has to be considered: **Has the school already spent money for the student to participate in the activity?**

**If the school has already had to pay for the activity then a refund cannot be given.** For example in the case of a live show, the seats had to be booked and pre-paid. In this case this money could not be refunded.

When buses are used to transport children the total cost of the bus is divided by the total number of children expected to attend. **It is therefore not possible to give refunds on bus travel.**

**EXCURSIONS**

There is generally no more than one excursion for each class per term. Sometimes the excursion occurs at school (‘incursion’). Excursions supplement the learning taking place in the classroom. They are organised by class teachers to investigate some areas of study. They are not only social but valuable learning experiences.

When an excursion/performance is organised, every item has a cost – transport, venue etc. This total cost is then divided by the number of students attending the excursion/performance. On occasions there may be unforeseen circumstances that may prevent your child from attending the event. If for any reason it is through a school error that your child cannot attend, your money will be refunded. **If the fault does not lie with the school, it cannot be responsible for covering the loss of funds if your child does not attend, therefore there will be no refunds.**

Wherever possible, all excursion money needs to be received five days before the excursion date. We endeavour to keep costs at a minimum.

**VOLUNTARY CONTRIBUTIONS**

Thank you to the families who have paid their Voluntary Contribution since the last newsletter. Our school relies on these contributions to provide additional resources and learning programs for our students. This voluntary payment is an essential part of our school’s budget which impacts enormously on our school’s ability to provide and maintain quality resources for students.

Although it is voluntary, all money that is contributed is used to purchase equipment and resources for all students. If you intend to pay the voluntary contribution in 2014 it is $ 80 per single student or $120 per family with two or more children at the school. Payments can be made on any day to the Office Letter Box before 11.30am by cheque, cash or Eftpos.

Please note that the Voluntary Contribution is different to the Resource Levy that families were asked to pay in March as a lump sum or in two instalments. The Resource Levy covers specific items that are required by each class in 2014. Families should have received an invoice for all outstanding payments during May.

**POP (PARENT ONLINE PAYMENTS) IS NOW LIVE ON THE SCHOOL WEBSITE**

Parents and carers are now able to make online payments for levies, sport, excursions etc. Many parents/carers are now using this convenient facility.

POP is for school payments only and does not include any P & C related payments (uniform shops, canteen, raffles, social events, etc).

At no time will student’s details, parents/carer’s details or payment credit card details be retained within the payment system. These will need to be entered each time a payment is made.

Also, the system does not hold data of what is owed by particular students.

**How to access Quickweb?**

A $ Make a payment link will be placed on the front page of the school’s Website. By selecting the $ Make a payment link you will be taken to a secure Westpac QuickWeb payment page. You will no longer be on the school’s website.
There are no passwords or PINS to remember. The payment process is intuitive and follows the format of many other online payments that you may use every day.

**How do I make a Payment and Other Important Information will be sent home to all families as a hard copy. Please take the time to read it.**

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner; these details are not passed back to the school.

---

**Payment for an activity or excursion does not constitute permission to participate. SIGNED PERMISSION NOTES ARE STILL REQUIRED FOR RELEVANT ACTIVITIES.** Fill in the section on the permission note ‘I have made an online payment. My receipt number is ……’. The permission note must still be placed in the office letterbox by the student(s) the day after payment has been made. It will be checked off the ‘online payments report’ received at the office by Westpac. **Each student requires an individual note however they can all be stapled together before putting in the letterbox.**

**LATE PAYMENT could result in your child/children not being able to attend the excursion/activity.** All payments (Cash, Cheque, Credit Card) or notification of online payments SHOULD BE RECEIVED AT THE SCHOOL OFFICE BY THE PAYMENT DUE BY DATE as specified on the note sent home, unless arrangements have been made with the Principal, Deputy Principal or Admin Manager.

If a payment is made after 6pm the school will not see that payment until the second business day.

**WHAT’S HAPPENING IN THE SRC?**

The SRC is up and running for this year and they have started the year soaring. Our very first meeting was our election meeting. We had some great nominees this year but the following students were elected into these official SRC roles:

- **President-** Lachlan Santos from 6C
- **Vice President-** Ella Cox from 4/5D
- **Secretary-** Jayde Jensen from 6T and April Druery from 6C

These students will hold these roles for the duration of the year. They have already proven to be enthusiastic, responsible and friendly leaders, exactly what our SRC needs!

All other SRC members have been elected by their classes to be their representatives at each meeting. Some classes change these representatives each term, some each semester and some hold their positions for the whole year. We let the classroom teacher and students decide what works best in their classroom. These representatives are the voice for their class, and this year during our meetings, they have already brought some great ideas to the floor.

Firstly, they have organised the big Fundraiser for next Tuesday, 3rd June. As done in previous years, they have decided to support the Sydney Children’s Hospital by hosting a mufti day AND a bake sale. The SRC students have given up lots of their time to make posters, bake delicious treats, discuss how they will make this day work and also how best to inform other students. We are proud of the work they have done so far, and can’t wait to see them all in action collecting money and selling cakes next Tuesday.

Also, the SRC have already raised some interesting ideas on how to improve the school. Some of these ideas have included creating a bigger playground roster, so all the primary students know who is on the oval and when. This idea has been given the go-ahead and now we are researching the best way to get a weather proof sign for our playground. Other ideas have included fixing the bike rack area, speaking at K-2 assembly so that K-2 classes hear what is happening, and believe it or not they have ideas for next term’s fundraiser already!!

We can see this will be a busy year for our SRC students and teachers, but we are all very excited. Remember, if you have an idea for the SRC, speak to your class representative or our wonderful SRC leaders that were mentioned above. They are your voice.

"Helping Children Manage Their Emotions"

Kirrawee Public School
Wednesday 11 June
7-9.30pm
$10 - pay at door

Held in library next to car park 146 Bath Road, Kirrawee

Arrive 15 mins early to register, receive notes & light refreshments

What BBPS students would do with $5000 to promote an active healthy lifestyle
$5000 well that’s a lot,
   If we won I’d lose the plot.
New play equipment, boy that will be fun,
Then all day long we can play in the sun!
   Refurnish the oval with new grass,
De-root the oval, that would be a blast!
From sports equipment to healthy food,
   Everyone is in a good mood!
When everybody is playing all day,
   Every child will want to stay.
How very thankful we would be.
   $5000! Yippee!
