FAIRNESS
Our six values are integrated into all aspects of our school and wider community. For the remainder of the term we are focusing on the value of ‘Fairness’ and what it means. Please reinforce the meaning of this value with your child. ‘Fairness’ means treating people equally without showing any favouritism and accepting that everyone is different. It means
- Always playing fairly
- Never criticising or making fun of others because they are different
- Including everyone equally.

PRINCIPAL’S REPORT
Congratulations to all the children who received pennant and values awards at our Pennant and Values Assembly. There were also many students who were recognized for their sporting achievements, and students who received white ribbon awards and Certificates of Excellence. Well done to all the children who performed at the assembly.

I was fortunate to be able to attend the concert on Wednesday evening where both of our bands performed along with several soloists. Your perseverance, patience and practice are definitely paying off, well done. Congratulations to Marcus G and Frankie O who performed at the Opera House in the Festival of Instrumental Music on Wednesday, this is an incredible achievement.

Multicultural Public Speaking
I also recently attend the Zone Championships where four of our students competed against the best public speakers in the southern zone. Their skills at public speaking were exceptional. Congratulations to Shelley, Bonnie, Holly and Jessica. Holly won the Stage 3 competition which is a huge achievement.
Dance Eisteddford
On the weekend, our extension dance and year 6 dance groups performed at the Sydney Eisteddfod. Thank you to Mrs Manners who supervised the children and congratulations to the Year 6 Dance Group who was awarded a Highly Commended.

Kyran B and Jordan R participated in a great golfing opportunity at Georges River Golf Course on Monday June 16. The overall winner was an extraordinary 9 yr old from Bexley P.S.

Congratulations
Congratulations to Kian J who has been competing in the NSW PSSA Hockey Championships this week. This is an outstanding achievement. Alex P and Jake B were part of the Cronulla Zone Boys Softball team which won the Sydney East tournament. Well done boys. Similarly, Josie, Prue, Harper and Jayde competed at the Sydney East Softball Gala Day. Jayde was successful at being chosen in the Sydney East team, congratulations.

Last week Year 2 attended their excursion on Sydney Harbour and Year 1 had their old fashioned dress up day. Congratulations boys and girls for the way you participated in your activities. BBPS has been the venue for the Year 2 combined choir and Years 3&4 combined choir involving 6-7 other schools. All of our choirs have been practicing and improving under the direction of Mrs Millar, Mrs Yard and Mrs Stephens. Next term will be the Sutherland Sire Music Festival.

There were some great results at our Field Events Carnival recently and there will be a comprehensive report of both carnivals in a future newsletter.

Finally, thank you to the Social Events Committee for the wonderful disco that was provided for the children on Monday. My thanks to the staff who attended and assisted at what is a very busy time of year. There are some photos further on in the newsletter.

Yesterday I was advised that the new BAC building has received all the necessary compliance certification and the new building will be officially open next term. This has been a long time coming and the amount of volunteer work that has occurred this year especially is a huge credit to Aleishia and the Management Committee and wider community.

The children have worked hard for their holiday. I hope they have a restful and safe break and return energized for all the exciting activities planned for Term 3.

Principal

SAFETY AND SECURITY
There will be contractors on site over the holidays however do not hesitate to report suspicious activity to 1300 880 021 or to Miranda Police 9541 3899.
**STAY SAFE THESE HOLIDAYS**

*Keep our kids safe near roads*

School holiday time is a great opportunity for families to have conversations with their children about road safety. Here are some important tips for families to talk about.

- Hold your child’s hand while in the car park, on the footpath and when crossing the road. Children should hold an adult’s hand up until they are eight years old.
- **Stop, Look, Listen, and Think!**
- Always buckle up in your seatbelt and follow the national child restraint laws for 0-7 year olds.
- Help your child exit the car using the rear passenger door on the footpath side.
- Ensure your child wears a helmet and rides in a safe place away from the road while on a bike, scooter or skateboard.

Thousands of families will be on the roads setting off on road trips these holidays. As more people use our roads, it increases the risk of road trauma!

Here are some useful road safety tips to make sure your family’s journey is a safe one:

- Set off on a long trip feeling refreshed. Sleep well before travelling.
- Drive at times you’d normally be awake. Take a 15 minute break outside your car every two hours.
- Observe the speed limit and drive to the conditions. Take your time and enjoy the scenery.
- Eat well balanced meals at regular times. You need the energy for brain activity and concentration while driving.
- Secure your mobile in a fixed cradle mount and operate hands free or via Bluetooth only.
- Pack some quiet activities for the children such as portable DVD players, books, small computer games, portable music player with headphones.

Have a happy & safe holiday From Burraneer Bay Public School

**YEAR 6 – Romeo & Juliet**

**SYDNEY EISTEDDFOD**

On Sunday 23rd June, the Year 6 and Extension Dance troupes participated in the 2014 Sydney Eisteddfod which was held at the Sydney Opera House. 40 dance troupes from the Sydney Region arrived at the venue very early in the morning to take part in this competition. Our Year 6 girls began the day with their performance of ‘Romeo & Juliet’. Our Extension group had to wait patiently to perform “Castle in a Cloud” as item number 37. The girls looked amazing in their costumes and were a credit to our school. The Year 6 group was awarded a Highly Commended certificate for their performance. Congratulations to all the girls involved!

CONGRATULATIONS and THANK YOU TO MRS McGrath

Congratulations to Mrs McGrath who was recently successful at interview and subsequently appointed as a full time teacher librarian at Woolooware PS.

Mrs McGrath has been working in a part-time capacity at our school for the past 3 years and has been a wonderful asset to our library and school. It is with great sadness we must say farewell to Mrs McGrath as she will commence her new job at the beginning of term 3. On behalf of all staff, students and parents I would like to thank her for all her wonderful work at BBPS and to wish her the very best in her new position.

LESSONS AFLOAT
On Thursday the 19th of June the whole of Year 2 went on an excursion aboard a boat around Sydney Harbour. We went because we were learning about transport in class. In the morning we met the teachers under the K-2 cola and we were all very excited. Our teachers had to mark our names off on the roll to make sure we were all there. Then we boarded the bus and headed off for the city. When we arrived at Circular Quay we sat in front of the Museum of Contemporary Art to eat our recess and crunch and sip. Before we boarded the ferry we took some great pictures in front of the Opera House and the Harbour Bridge.

After that we jumped onto the boat and met the Captain John and our guide Anne. Our boat was called Proclaim. While we were on the boat we were given a map, a clipboard and some worksheets. Anne told us where we were going and we marked it on the map. The first things I saw were the Harbour Bridge and lots of boats travelling on the sparkling sea.
For lunch we stopped at Clifton Gardens. We ate and played in the park and it was very fun. Then we got back on the boat and we were lucky enough to see dolphins.
I had a great time on the excursion and my favourite part was going on the boat and seeing Sydney Harbour.

FIELD EVENTS ATHLETICS CARNIVAL
How impressive it was to see so many students participate in a variety of events at the athletics carnival last Wednesday at Barden Ridge Athletics Centre. The positive, enthusiastic attitude of the students stood out as a feature of the day. It was great to see the level of commitment from students who were prepared to have a go and not worry where they came in the event.

Congratulations to all competitors and best wishes to those students who now proceed to the next level. I believe some exceptional ‘personal bests’ were achieved. Thank you to all of the parents who helped with a range of jobs and thank you and congratulations to Mr Knoflack and all of the staff members on a fantastic carnival.

**P&C ASSOCIATION REQUEST**

**Dear All,**

Mr Fisher, Mr Fitzgerald and I are currently writing a grant to support environmental initiatives at the school. As part of the process we have created an online “ipromise” tree. We are hoping to add lots of enviro promises from parents in our school community (Mr Fitzgerald has kicked it off with the first one).
Can you make a personal environmental promise to add to our tree (e.g. I promise to use the clothes dryer less often… I promise to turn off the lights when room is not in use.. I promise to compost food scraps etc)? It would demonstrate our wider school community’s commitment to environmental issues and potentially help our grant chances.
It only takes a couple of minutes to add to our existing tree:
2. Click on “Create your own ipromise tree”
3. Click on the green box on the right “Want to add to an existing ipromise tree?”
4. The name of our tree is “Burraneer Bay Public School”.
Please help us get the message out to as many people as possible to build our tree. Feel free to spread the word far and wide.
Thank you for your support!
Margaret Ball
P&C Grants Coordinator for BBPS)
Dear parents and carers,

Ethics classes are available in NSW public primary schools as an option for children who do not attend Special Religious Education (SRE) / Scripture.

The Ethics curriculum is now available for Kindergarten (Early Stage 1), and Years 1-2, 3-4 and 5-6 (Stages 1, 2 & 3). Classes will depend on the availability of teachers, the number of interested students and the availability of an appropriate teaching space.

Our Stage 3 teacher Jan Doyle, will be leaving at the end of this term, but we have a replacement in the wings. We are currently in the process of training some new volunteer teachers, which will enable us to soon offer Ethics for Kindergarten and Stage 1, in addition to the existing Stage 2 and 3 classes.

Please return the slip below as soon as possible if you wish for your child or children to attend Ethics classes. Children must have opted out of SRE in order to attend Ethics.

For more information about Ethics classes and Primary Ethics, please visit www.primaryethics.com.au or contact our school’s Ethics Coordinator, Kathryn Newburg at knewburg@yahoo.com.au.

Many thanks.
