PRINCIPAL’S REPORT
The weather was kind to us on Saturday! It has been wonderful to hear the children talk about the fun they had at our Spring Fair. Thank you to all the volunteers who gave up their time to make the day such a success. It would not have been such a success without your assistance. In particular thank you Emma Palmer, Kristen Devane and Pauline Lamb for their consistent support with all the logistics and organisation required in the lead up to the Fair and their flexibility and commitment on the day. We look forward to a report on the Spring Fair at our next P&C meeting on Tuesday 10th November. Parents/carers are very welcome to attend. The monies raised will go towards increasing our bank of iPads and replacing interactive whiteboards with the latest interactive technologies.

Over the last fortnight there have been some wonderful activities enjoyed by the students. Recently Kindergarten and Year 6 held their Teddy Bears Picnic. K-2 students also had a lot of fun at their K-2 Carnival.

Could all families pay all outstanding monies by Wednesday 25th November. Final accounts have been issued to some families.

CLASSROOM DISRUPTIONS There are far too many non-urgent phone calls coming through to students which are disrupting the teachers and the students. Please ensure your child knows their pick up arrangements before they come to school. Only extreme messages will be passed on.

Some of the activities being held in the near future is the NRMA Science and Safety Day, dancers will perform in the School Spectacular, the Year 6 special choir, bands and dance groups will perform in the Creative and Performing Arts Night on Thursday

Year 5 students all participated in a Leadership Day this week and are now in the process of considering whether they wish to stand for a 2016 Leadership Position. Some of their reflections will involve considering...
how they have brought pride to their school, considering the ways in which they have been involved in school activities and the way in which they have demonstrated school spirit.

KINDERGARTEN ORIENTATION
It was such a pleasure to have all our new Kindergarten 2016 students visit on their orientation days recently. It was a smooth and enjoyable transition for all with our Year 6 students taking great care of their buddies and making the whole orientation a positive experience. Thank you to the many staff, volunteers and P&C members who assisted to make it such a wonderful experience for the children.

CHANGING SCHOOLS IN 2016?
Please inform the school in writing if you child is not returning in 2016. This information is required so that the school can accurately determine its staffing entitlement at the beginning of 2016.

LOCK DOWN DRILL
Staff have recently revised our school’s procedures in the event we need to ‘Lock Down’. This is an important legislative requirement and all students, staff and volunteers are familiarised with the procedures. Over the next fortnight we will have a practice. We thought it important to let you know this would be occurring as it often generates a lot of discussion amongst the children. Thank you for your cooperation.
END OF YEAR MONEY COLLECTION
All OVERDUE payments must be finalised before the DEC end of financial year – Wednesday 25 November.
Please return your payment (cash, cheque – payable to BBPS, credit card payment or online payment details) along with the statement of account with your child and have them place it in the letter box in the Administration Block.

Should you have difficulty in meeting these payments, please contact Mrs Best in writing. These letters will be kept confidential.

K-2 SPORTS CARNIVAL
K-2 students had a wonderful day participating in their K-2 Sports Carnival. Our school is so fortunate to have the extensive oval with all its grass and the synthetic basketball court surface.

Kindergarten Orientation

Tuesday 27th October was a sensational day for all of us Year 5 students. Today we would meet our Kindy buddies for 2016 for the first time. Safe to say we were both nervous and excited at the same time so we can only imagine how the little ones were feeling. We were split into colour groups and assembled in the hall, ready for the adventure. It was nerve-wracking to have all the parents in there as well but as soon as that little hand found mine, the butterflies in my stomach eased. We got to know our buddies a little better by doing fun activities such as reading with them, playing with PE equipment, visiting the library, drawing a picture and having our photos taken too. When our time was up we met our buddies’ parents and took them on a tour of our great school. We cannot wait until next year arrives so we can help our little buddies begin their journey through ‘Big School’. (James B – 5F)

- My buddy and I had a great morning playing games. When touring the school he seemed very excited and didn’t stop talking. (Luke T 5G)
- I loved drawing with my buddy. She is very outgoing and I can’t wait to spend more time with her in 2016. (Jeorgie B 5G)
- Great to meet my little buddy as she has a great personality. (Chelsea F 5F)
- I had such a fun time meeting my little buddy and I’m looking forward to being a great role model for him in 2016. (Cooper A 5F)
- I had a fantastic time with my buddy. Emily was very shy so I look forward to helping her come out of her shell next year. (Isabel B 5T)
• Looking forward to helping Hannah strive for her best and build confidence in 2016.  
  (Erin M 5T)
• I liked having fun playing games and drawing with my buddy. Cannot wait to hang with him in 2016.  (Logan C 5D)
• There are many memories to come with my buddie Zoe. She is humourous and intelligent and like a little sister to me. (Ciara T 5D)

LIBRARY NEWS

BOOK FAIR

Our annual Book Fair Sales Day will be held on Friday 13TH November 2015 in the school library. Children will view the Book Fair during their library lessons in Week 6 and will be able to purchase items on Friday 13th 2015. Children are encouraged to bring money to school on that day. Note: Eftpos facilities will only be available on the Sales Day. Year 4 students will be at the Waterslea Camp on Monday, Tuesday and Wednesday and will be given the opportunity to attend the Book Fair upon their return.

DIGITAL E_ Licence
Thanks to Google and The Alannah & Madeleine Foundation Year 6 students are currently involved in a trial program that involves working through modules to attain their digital e-licence. The eSmart Digital Licence, created by cyber safety experts, technologists and teachers, is the perfect balance of fun and learning. It teaches students cybersafety knowledge through an engaging interactive quiz. There are 8 modules which cover aspects of internet safety for digital devices, protecting privacy, searching & researching, creating & sharing, social networking & gaming, communicating safely online, friends & strangers and managing money & online credits. If the trial is deemed successful it is hoped that we can introduce the modules to Year 5 next year.

WHOOPING COUGH INFORMATION FOR SCHOOLS

NSW Health has requested that all schools provide the following information about whooping cough.

There is an outbreak of whooping cough (pertussis) in NSW, mainly affecting school-aged children.

Coughing spreads the infection to others nearby. Whooping cough can spread to anyone at home, including younger brothers and sisters. Whooping cough can be especially dangerous for babies.

Whooping cough starts like a cold and progresses to bouts of coughing that can last for many weeks. The infection can occur even in fully-vaccinated children. Older children may just have a cough that is persistent and may be worse at night.

- Children with these symptoms should see a doctor.
• If your doctor diagnoses whooping cough in your school-aged child, please let the school know and keep your child at home until they have taken 5 days of antibiotics. Keep coughing children away from babies.

• Whooping cough vaccines give good protection against infection but immunity fades with time. Check that all your children are up to date with their vaccines, due at 6 weeks, 4 months, 6 months, 4 years and 12 years of age (offered to all Year 7 students through the NSW school-based vaccination program). A booster is also recommended at 18 months of age.

A booster dose of vaccine is also recommended for adults that are in contact with young children, such as school staff and parents. Pregnant women are recommended to have a booster dose during each pregnancy and this is funded by NSW Health. Those who are new parents or carers of babies should consult their general practitioner about appropriate immunisation.

Your local public health unit can provide advice about whooping cough on 1300 066 055 or visit the NSW Health website for information for childcare and schools about whooping cough.

SPRING FAIR ART WORKS
Wow what a fabulous, fun filled day!!!

Thanks to all involved for making our Spring Fair an unforgettable occasion. For those who missed out it's not too late to be involved.

Each child contributed an amazing piece of artwork towards our art gallery. If you missed the opportunity to stop by, see and purchase one of these special pieces then it's not too late to secure your masterpiece.

Please send a donation for your child's artwork to their teacher and help contribute towards our wonderful school.

All purchased artwork will be sent home by the end of the week.

Don't miss out!!!!
During Week 3, all of Year 5 made a trip to Kirrawee High School to visit the Nihongo Tanken Centre. The senseis (teachers) allocated us into different groups (cat, dog, monkey and rabbit) and we all put on our slippers and walked to the tatami flooring (no shoes allowed!). We learnt some basic conversational Japanese and then we were introduced to a typical Japanese house. We were given some morning tea which was very yummy and included Hello Panda biscuits and rice crackers.

After morning tea, we split up into 2 groups and played a few games. We learnt the names of the colours, how to identify our left and right feet/hands and put all of this into practice in a game of Twister. Also, we were taught the numbers and did some basic math – reinforced in a competitive relay. Afterwards, we got what we were waiting for – our obento box lunch; delicious! This amazing, traditional meal was followed by an introduction into some of the toys Japanese children would play with (spinning tops, kendama and darumaotoshi).

The day was close to finishing so we played one last game to reinforce all that we had learnt. It was an awesome, competitive quiz which everyone loved being a part of. Sadly, the day had come to an end and we had to leave the fantastic Tanken Centre. It was a great experience and everyone had a wonderful time, learning about the interesting lifestyle and culture of Japan.

Arrigato senseis for a terrific excursion.

B. Joseph (5F)

• “I thought it was really cool the way we had to speak Japanese the whole time” C. Donaghy 5D
• “I highly enjoyed this excursion and recommend it to Year 4 2016. I wish I could go again.” J. Bourke 5F
• “I loved the way we had to wear slippers and sit at low Japanese tables.” A.O’Rourke 5D
