**PRINCIPAL’S REPORT**

Welcome back to Term 3. Congratulations to all the children who received awards at the end of Term 2, to students who performed at the end of term pennant and values assembly and to our Year 6 prefects for their entertaining performance that reinforced the value of Friendliness. This term will have just as many important
activities. Many activities have been planned for the children in Term 3 including excursions for most classes, Years 5 and 6 will participate in their overnight excursions. All students will participate in Public Speaking Competitions. Term 3 will also see the PSSA Zone Athletics Carnivals, Sutherland Shire Schools Music Festival, Education Week including Open Day, the Premiers Reading and Sporting Challenge, K-2 Gymnastics Program, Child Protection lessons, Dance Extravaganza, Kurranulla Dance Festival, Raw Art, Peer Support and NAIDOC activities.

A special welcome to Asia Caddy and Kai Garland who are new students commencing this term.

The P&C will also hold the annual School Disco and invite families to offer donations of items for various stalls at the Spring Fair. The first meeting of the P&C for Term 3 will be held on Tuesday 4th August at 7.30pm in the staff room. As you are aware our wonderful P&C has been operating with a temporary President since our AGM in March when no nominations were received to fill this key position. We are very grateful to Jane Prosser who stepped in to cover this temporary arrangement and has agreed to stay in the role until August. It is not possible for Jane to continue in this temporary role beyond Tuesday 4th August. On this date the P&C will hold its regular monthly meeting and if no President is elected the P&C is obligated under its national Federation rules to cease operation until a President is elected. All parents are welcome and encouraged to attend this meeting and I urge all parents/carers to consider taking on this important role.

Family account statements were posted last week and included amounts outstanding and amounts due this term. Thank you to parents who have followed up and made payments to the office or online. All overdue payments are due by July 24th.

Good luck to all the students, staff, parents and carers who are walking and running in Sunday’s Sutherland 2 Surf fun run.

I look forward to seeing you at our Education Week celebrations next week.

Thank you for your continued support.

FAIRY TALE DAY IN KINDERGARTEN

EDUCATION WEEK- 27th JULY – 31st JULY, OPEN DAY TUESDAY 28TH JULY
Children will receive a Program of our Open Day separately to be held on Tuesday 28th July. Please join us for our celebrations. Our Open Day will commence with a concert in the hall. Visitors are then invited to visit their children’s classrooms to see some of their wonderful work. Morning Tea will be followed by a range of grade activities under the K-2 COLA (from 12.00 approximately). All children will return to the classrooms after lunch to resume their normal routine. Our P&C School Disco will be held on Wednesday 29th July (details have been sent separately)

OPPORTUNITY CLASS PLACEMENT TEST – Wednesday 22nd July
Applicants for Year 5 placement in an opportunity class in 2016 are required to take the Opportunity Class Placement Test to be held from 9.00am to 11.15 am on Wednesday 22 July 2015.

Thank you to the many parents and staff who attended Snr Constable Debbie Wilson’s interesting presentation on the strategies parents can use to help monitor their child’s experience online and to assist their children to become responsible digital citizens. This is a complex, challenging and sometimes difficult area for parents to navigate.

The information session included the following issues: Cyberbullying Social Networking
Grooming
Sexting
Offensive or Illegal Content
The law
Tips for Parents
Help and resources

As discussed at the information session all students in NSW Public schools have SAFE access to the internet through the Kidspace portal. The Kidspace portal is an internet link available to students that allows them access to digital resources provided by the Department of Education. This link is primarily designed to allow our students to access the internet from any location inside or outside the school. There is more information about this in Mrs Stannard and Mrs Stenning’s “Library News” section further on in the newsletter. Students can access their Kidspace Portal by going directly to https://student.det.nsw.edu.au and using the same username and password as they use at school. This is also available from the “Links” tab on the school website.

Another excellent resource is the Australian Government’s E-safety website located at https://www.esafety.gov.au/

Snr Constable Wilson will be presenting a Cybersafety Session with students in Years 3 and 4 on Monday 20th July.

PUBLIC SPEAKING

During Term 3, our school is focusing on Public Speaking. All grades will participate in class and grade competitions to prepare them for the School Public Speaking Competition. This year the competition will be split and held on:

**Monday 10th August for Stage 2 and Stage 1.**
**Tuesday 11th August for Stage 3.**

Kindergarten and Year 1 will have their own celebration of Public Speaking on Monday 10th August.

This is a fantastic opportunity for students to develop Speaking and Listening skills. Please speak to your child’s teacher if you have any questions.

There are two speeches for each child to prepare. They each count for 50% of the mark -
- Prepared Speeches are to be written at home.
- Impromptu Speeches will be practised and prepared at school in the classroom.

Please remember that speeches are to be a persuasive text which includes an interesting introduction, a set of reasons to support your point of view and a conclusion which sums up your point of view.

Four students from each stage will be chosen to compete in the school Public Speaking Competition. One student from each stage will then represent our school at the Zone Final Wednesday 26th August at Caringbah North Public School.

We hope you enjoy writing and presenting your speeches!

CHILD PROTECTION LESSONS

Class teachers will begin teaching child protection lessons in the week beginning July 20th, 2015. There will be a Child Protection lesson each week of Term 3. The aim of child protection education in primary schools is to assist students in developing skills in recognising and responding to unsafe situations, seeking assistance effectively and establishing and maintaining relationships and strengthening attitudes and values related to equality, respect and responsibility.

The three main themes covered in this important area are
- Recognising abuse
- Power in relationships
- Protective strategies

Research suggests that, if children can recognise abusive situations and use protective strategies in their early years, then they will have a greater capacity for keeping themselves safe later on.

Library Blog

Don’t forget – Children in Years 2 -6 can view the blog at home by logging on to the DET KIDspace portal using their school usernames & passwords. The BLOG provides news, links and opportunities to make suggestions and comments about books and reading. The PRC Honour Roll lists children who finish the Challenge.

Book Week Awards – Short List

During library lessons over the next five weeks students will be viewing & reading some of the shortlisted books for the 2015 CBCA Book Week Awards. The BOOK WEEK awards are annual awards conducted by the Children’s BOOK COUNCIL of Australia.

To be eligible for the awards books must be written & illustrated by AUSTRALIAN authors and published within the previous 12 months [i.e. 2014]. Hundreds of books are nominated for each category and are sent to the judges. The Award Categories are:

- Book of the Year for Early childhood [Preschool – Year 2]
- Picture Book of the Year [an award for illustrators usually suitable for early childhood and up to about Yr 2 – there may be some suitable for much older readers]
- Book of the Year for Younger readers [approx Yr 1 – year 6]
- Book of the Year for Older readers [some suitable for Yr6 but mostly High school]
- Eve Pownall Award for Information books [must be Non-fiction]
- Crichton Award for new illustrators

The judges eventually cull the number of books to about 5-6 books in each category – this is called the SHORT LIST which is announced in April each year. The 2011 shortlist can be viewed at: http://cbca.org.au/ShortList-2015.htm

The winners for each category will be announced at the beginning of BOOK WEEK in August.

Internet Safety

All students in NSW Public schools have SAFE access to the internet through Kidspace portal. The Kidspace portal is an internet link available to students that allows them access to digital resources provided by the Department of Education. This link is primarily designed to allow our students to access the internet from any location inside or outside the school.
Students can access their **Kidspace Portal** by going directly to [https://student.det.nsw.edu.au](https://student.det.nsw.edu.au) and using the same username and password as they use at school. This is also available from the “Links” tab on the school website.

From the inception of internet access in schools, a filtering mechanism has always been applied centrally to minimise the risk of unacceptable material being accessed by students. DEC internet filtering is designed to protect students by restricting or allowing access to specific types of web sites. As a result the DEC Kidspace portal provides one of the safest ways for children to access the internet at school or home.

One of the key features of the Kidspace portal is an email account that is provided for each student by the DEC. This is a useful tool to encourage communication between students and staff and is increasingly being used to communicate assignments and class/grade news. As these accounts remain the same throughout a student’s school years, they are not to be used for any purpose than school business. Stage Three have been learning about using their email accounts in library.

Students can access their Kidspace portal through the Burraneer Bay PS Homepage using the same user name and password they use to access the computers and internet at school. Happy Browsing!

*If you have any questions or concerns regarding any of the above items don’t hesitate to ask us.*

**NOTES HOME:**

Please check your child’s bag each afternoon for any notes that have been sent home and take note of any ‘due by’ dates. If your child has been away, check with the class teacher for any notes that may have been handed out in their absence. As a number of activities must be paid prior to the event these ‘due by’ dates must be adhered to.

**PAYMENTS:** For the security of all involved –

- All notes requiring payments must be placed in the ‘letter box’ in the door of the office as soon as students arrive at school and definitely before 11.30am. Payments must not be put in the ‘letter box’ or brought to the front counter after 11.30am. For security reasons it is a DEC policy that there be no money left on the premises overnight (this includes cash, cheques or credit card details).
- Teachers cannot accept notes requiring payments.
- Please do not bring notes with payments to the office counter.
- Payments and notes should be placed in an envelope (recycled ones can be used), a clip lock bag or paper bag. Please ensure –
  - Notes are included with the payment (a separate note for each child)
The child’s full name and class are written on the note.
Credit card details are correctly filled out.
- Parent Online Payments must be made 2 days prior to the due date to enable the school to receive the funds by the due date.

**ABSENCES:**
Should your student be absent from school a note can be sent to their class teacher on return to school or an SMS message can be sent to 0409 594 864 (This number is for absences only. Please ensure the child’s name and class is mentioned in the text). A student who is absent for three or more days is required to have a doctor’s certificate. Parents/carers of student’s with a known absence of five days or more (eg family holiday) must fill out an ‘Application for Extended Leave’ document submitted to the Principal prior to this absence.

**EARLY LEAVERS/LATE ARRIVALS:** *Parents are asked NOT to go to the classrooms.*
Students arriving after the 9.10am bell must have a parent sign them in. The student then takes the slip to the class teacher.
Parents/carers needing to collect their child before the end of the school day must come into the office, fill out the required slip then the office staff will call for the child.

**SCHOOL GATES:**
The school gates are locked each morning at 9.15am and unlocked again at 3.00pm. During this time all parents and visitors are required to report to the front office VIA Burraneer Bay Road.
On Wednesday afternoons the gates are unlocked as close as possible to 2.30pm. For the safety of our students in K-2 the gates are not opened until they have walked to the hall. *Please do not attempt to walk through the office before the gates are opened.*
*At any time, please be patient and wait until the gates are fully opened before entering the school grounds.*

**EMERGENCY CLOTHING:**
We do hold a small supply of emergency clothing for students. Should your child be given a change of clothing at any time please return/replace the borrowed items, washed and ironed, as soon as possible.
- The uniform/shirt/shorts washed and ironed.
- A new pair of underpants in the same size.
- A new pair of socks in the same size.

**MESSAGES FOR STUDENTS:**
Unless there is an extreme family emergency, classes will not be interrupted before 11.30am.

If students have left items at home that they really must have for that particular day, parents/carers can drop them to the office, with the child’s name and class. One of the office staff will call for the students after recess.

Please ensure students are aware of any changes to afternoon arrangements before they leave for school. Again, unless there is an extreme family emergency, classes cannot be interrupted for student messages.

**KINDERGARTEN 2016:**
Expressions of interest are now being taken for students starting Kindergarten in 2016.
If you have siblings of older children already attending the school that will be starting in 2016 you need to fill out a form. If you have neighbours, family or friends who have children starting next year please let them know they need to call in to the office to fill out the relative form(s).

WOOLWORTHS EARN & LEARN
Woolworths Earn & Learn is back. In previous years BBPS has been very successful at being able to redeem shopping docket for valuable school resource for our school.
It’s simple to participate. From Wednesday 15th July to Tuesday 8th September 2015, when you shop at Woolworths collect the Woolworths Earn & Learn Stickers from the checkout operator or through an online order and place them on a Woolworths Earn & Learn Sticker Sheet. There’ll be one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco, and gift cards). Once completed, simply place the Sticker Sheet in the Collection Box, either in the foyer or at the Caringbah Woolworths store.
There are thousands of products available through the Woolworths Earn & Learn program, and we’d like to get lots of new gear! Products in the range include resources for mathematics, English, science, art & crafts, through to sports gear, library supplies and more.
If you are able to assist with the coordination of this program please phone the school or send an email to burraneerpandc@gmail.com

SKOOLBAG:
The Skoolbag App is now being used by over 300 families to receive important information such as alerts, newsletters and other attachments. It can be downloaded and installed on a Smartphone or an iPad, Android users can download via their google account in the ‘Play store’.

In addition, the Skoolbag Communication Centre can be accessed by scrolling down on the BBPS website and following the Skoolbag graphic which allows parents to access all of the content that the school puts in the App. Alternatively navigate to http://www.burraneerb-p.schools.nsw.edu.au/news/our-skoolbag-smartphone-app
The Skoolbag Communication Centre also has an email subscription service for parents to get content from the app via email as well as push messages.
Skoolbag is a mobile App for your school to communicate directly to both parents and students. It works through both smart phones and smart devices (such as iPads and Android Tablets). Ideal for:

- School free push notification alerts
- School events
- School newsletters
- School documents
- School RSS feeds
- School social media (Facebook, Twitter)

Skoolbag delivers school notices directly to parents and students.
