**Saturday 31st October Spring Fair**
The last three weeks seems to have been the busiest so far this year. A power failure thrown in certainly didn’t help, but it didn’t deter our hard working staff, students and volunteers!!

I have to begin by congratulating all the students for their many achievements and the excellence they have shown in so many different endeavours – overnight camps, Sutherland Shire Music Festival rehearsals and performances, art displays, Sydney Dance Eisteddfod, Tournament of Minds, Cronulla Zone Athletics Carnival, Class and Stage Public Speaking Competitions.. Please take the time to read the students’ recounts and reports of the excursions that years 3, 4, 5 and 6 have attended recently. Thank you so much to our dedicated staff who have had key roles in organizing and supervising these large scale activities and opportunities, and often in their own personal time. Thank you to the many parents who have provided us with such wonderful feedback about the behavior and performances by the children and the efforts of the staff. This is very much appreciated.

Yesterday was the icing on the cake! This week we are celebrating NAIDOC. NAIDOC is a celebration of Aboriginal and Torres Strait Islander history and culture. In some challenging weather conditions the children and staff were treated to a day devoted to learning about Aboriginal history and culture. During this whole day incursion students joined in and learnt about Aboriginal Art, artefacts, song, dance, bush survival, history and boomerang throwing. Our new friends from Koomurri performed for us and taught us all many new things about their culture and history that the children will continue to further explore in class. Thank you to Highland Property Agents for partly funding the costs incurred on the day.

You would have received a notice in the last few days advising that there has been a confirmed case of Whooping cough in the BBPS community. It is very important that if your child is diagnosed with an infectious illness that you advise the school as soon as you are able. We have a number of students who are undergoing treatments that significantly compromise their immune systems. Please keep your child at home if they are unwell.

Thank you for your ongoing support,
Greg Fitzgerald

**REMINDER GREAT BOOK SWAP**

Thankyou for the large number of book donations for the ‘Great Book Swap’. Please search through your children’s books and consider donating one or more books to a wonderful cause.

How it works:

1. Students are being asked to donate one [or more] of their own used books to the Book Swap. The books must be in good condition and suitable for another student at BBPS to use. Please – NO parent books!
2. Over the next few weeks students can bring the book/books to the school library and place in the box marked *Great Book Swap*
3. On **Wednesday 2nd September** children who wish to ‘swap’ a book will be able to visit the Library to choose a book from all the donated ‘swap’ books. It will cost $2 to choose a book and all money raised will be sent to the ILF.
4. If children do not wish to participate in the Book Swap we ask that they consider donating $2 to this worthy cause.

NEW SUTHERLAND SHIRE COUNCIL VACATION CARE AT BBPS
We're delighted to advise that Sutherland Shire Council will operate a new vacation care site from our school commencing the September school holidays. The new service will operate from 7am-6pm during each school holidays.

The number of places available per day will be 45, for children from Kindergarten to 12 years of age. A part of our agreement with Council was that our school's families were given the first opportunity to secure a place last week. After this time, any remaining vacancies will be made available to children from other schools.

To enrol, please email Council's Children's Services at VacationCare@ssc.nsw.gov.au or phone 9710 0466. The September school holiday program and enrolment form has been sent to the community via the Skoolbag and Enews apps.

SCHOOL ATTENDANCE
The Department of Education Home School Liaison Officer recently attended to monitor student absences. The following is a timely reminder to parents and carers - Regular attendance at school is essential for children to achieve their educational best, and increase their career and life options. Parents/Carers are required to explain the absences of their children from school promptly. An explanation for absence must be provided to the school within 7 days from the first day of any period of absence. Parents/Carers are able to notify the school office of their child’s absence by using the Skoolbag App (see details in this newsletter for downloading) or by sending an SMS to 0409 594 864. Otherwise a phone call to the office will suffice or a letter of explanation to the class teacher. A reason for the absence must be provided.

Holidays taken outside of school vacation periods
Changes to Attendance Policy 2015.

From the beginning of 2015, family holidays and travel are no longer considered under the Exemption from School Procedures. Travel outside of vacation period is now counted as an absence from school. The changes implement the ACARA National Standards for Student Attendance Data Reporting.

The new Attendance Policy states that “Where a principal considers that the travel is appropriate during school term, the principal will issue the parent with an Application for Extended Leave – Travel for completion and inform the parent that if the application is accepted, the absences will be recorded as “L” – Leave.”

The DEC encourages parents to take holidays with their child during school vacation periods. If a parent wishes to travel during school term, a principal will consider if the time away from school is in the best interests of the student. Parents should specify on the application, the educational, social and participation reasons for the absence from school. Travel is considered to be domestic or international travel for the purpose of a family holiday, family business, bereavement or other reasons, which should be specified on the application.

Parents should provide travel documentation, such as travel itinerary or e-ticket, and ensure this is attached to the application.

On accepting a parent’s Application for Extended Leave – Travel, the school will issue a Certificate of Extended Leave - Travel. The original certificate is provided to the parent. The certificate must be carried by the parent during the period of leave.
SCHOOLS SPECTACULAR
Tickets for the 2015 Schools Spectacular go on sale to the general public on Tuesday 1st September through TICKETEK. We have 12 students participating in this event and it is highly recommended if you enjoy dance and music. Students of all ages would thoroughly enjoy this event. It is held at the Sydney Entertainment Centre from Friday 27th - Saturday 28th November.

CONGRATULATIONS
A big congratulations to all the students who completed the Premiers Reading and Sporting Challenges which have now ended. The real challenge is to continue to be an enthusiastic reader and to continue being active each day. Congratulations to our Year 5 Dancers who were awarded Highly Commended at the Sydney Eisteddfod at the Opera House. Congratulations also to all of our Tournament of Minds (TOM) teams who competed at the Sydney East Finals this weekend. Tournament of Minds is a problem solving programme. Our students were amazing as they demonstrated their problem solving skills as part of a team in one of the following disciplines - Language Literature, Maths Engineering and Social Sciences. Congratulations to our Year 5 and 6 students who recently returned from their overnight camps to Bathurst and Canberra. Congratulations to all students who represented BBPS at the Cronulla Zone Athletics Carnival and to Mrs Archer who was the carnival convenor. All athletes tried their best and there were many notable performances (see separate news item).
The Sutherland Shire Music Festival ended last Friday. This is a huge endeavor with half of our students involved in the choirs, the dance items or the art displays. One of our students, Rhylan Stokes, even had his art work ‘Shine Music’ published on the SSMF Program cover. Congratulations to all the students who participated and the many teaching and office staff who were involved in many ways and after hours. Congratulations to Adam Singleton and Lachlan Bird on being selected in the Cronulla Zone Athletics Carnival.

The Cronulla Zone Cricket trials were held on Friday 14th August. Vaughan Mackenzie, Luke Takacs, Lachlan Bird, Adam Singleton and Lewis De Silva were chosen to represent Burraneer Bay at the trials. All the boys who tried out were very competitive and equally deserving to be chosen in the team. Adam Singleton and Lachlan Bird were successful and will be playing in the Sydney East trials on 10th September. Congratulations to all the boys who tried out and especially to Adam and Lachlan. Well done boys.

SCHOOL PUBLIC SPEAKING COMPETITION
What an honour it was to hear students from Early Stage 1, Stage 1, Stage 2 and Stage 3 present their amazing speeches.
The speeches were of a high standard and covered a great variety of subjects.
Best of luck to Jemima Hickey 2S, Tahli Williams 4N and Bonnie Joseph 5F who will represent our school at the Port Hacking Pool H Competition on Wednesday 26th August, 2015 at Caringbah North Public School.

KEEPING STUDENTS SAFE ONLINE
The ubiquity of connected technologies – desktop computers, tablet devices and mobile phones – means cybersafety is an ongoing issue.

REMINDER - students can access their Kidspace Portal by going directly to https://student.det.nsw.edu.au and using the same username and password as they use at school. This is also available from the “Links” tab on the school website.
Another excellent resource is the Australian Government’s E-safety website located at https://www.esafety.gov.au/
Snr Constable Wilson will be returning to BBPS to present a Cybersafety Session with students in Years 5 and 6 on Monday 31st August
A key question for parents is often, should their children have access to the internet in their bedrooms? Education and child safety experts recommend against it. This handy article on the School A to Z website provides some straightforward advice on the matter.

Bathurst Recount

On Monday morning a very excited Year 5 left at 6:45am to drive to Bathurst. On the way we stopped off at Jenolan caves and explored the Lucas cave. We learnt about stalagmites and stalactites. When we arrived at Bathurst we went around the Mount Panorama Race Track. The next day after breakfast we learnt all about life on the goldfields. Our instructors showed us the museum with ancient gold equipment and showed us how to use them. Later everyone went gold panning and some people found gold. Then we learnt how to make a wattle and daub house and how they did the laundry in the mid 1800’s. We split up into two groups and played tug of war, made and ate damper and made mud bricks. Next we got to go to the souvenir shop and some people bought a few things. Later we sat around a bonfire, sang songs and danced.

On the way home we stopped at the Bathurst Sheep and Cattle Drome and there were sheep, cows, a joey, donkeys and an old sheep dog. After a while we arrived at Scenic World, rode the Scenic Railway and the Cableway to see the three sisters called Meenhi, Wimlah and Gunnedoo. At about 4:45pm we arrived back at school.

Year 5 had an amazing time and learnt a great deal about life on the goldfields.

Year 4 Excursion to Elizabeth Farm and Old Government House

This term year 4 has been learning about British Colonisation. On Tuesday the 18th of August, 4N and 4T went to Elizabeth Farm and Old Government House. Earlier on, 4K and 4A went as well and we all had a fabulous time.

At Elizabeth Farm, one group made scones and the other group did housework. We worked how they did in the olden days. We then got to eat the scones.

At Old Government House we went into a classroom where there was a mean teacher called Mrs Johnson. We had to do our work like they did in the olden days.

We came back to school on the bus and everyone had a fabulous time.

This term, year 4 have been studying British Colonisation and have been on an awesome excursion to Elizabeth Farm and Old Government House.
At Elizabeth Farm we either cooked yummy scones or washed and did housework. It was fun and the scones were yum!
At Old Government House we had a very strict teacher who threatened to whip us, but she didn’t. We wrote on a slate because she said paper was too expensive. Then we went into the actual house and it was awesome. In my opinion it was a cool excursion.

This term, Year 4 has been studying British Colonisation. We went to Elizabeth Farm and Old Government House and we had to dress up as convicts.
At Elizabeth Farm one group had to make scones while the other group had to act as servants. The scones were plain but at least we got to eat them.
At Old Government House we were shown around the house and the cellar and we were taught at the old school. Around the house we were shown Governor Lachlan Macquarie’s bedroom. In the cellar it wasn’t freaky but it had a weird smell and old tools and barrels.
In the end it was a fun day for year 4 and they got to learn about British Colonisation.

This term year 4 went to Elizabeth Farm and Old Government House. Elizabeth Farm was a fun place to bake scones and clean. Each student was a convict and they felt what it would be like in 1815 as a convict in Australia. Baking scones was so much fun and we learnt about Elizabeth and John Macarthur and how they lived.
As soon as we got to Old Government House we saw a teacher. We went into her classroom and pretended to be students in 1815. Our teacher’s name was Mrs Johnson and she was very strict. After our teaching experience we looked around in the rooms and we weren’t allowed to touch anything. The excursion was really fun and we all had a great time.

Year 3 Kurnell Excursion

On the 11th August, Year 3 went on an excursion to visit Captain Cook's landing site. The National Park with an information centre, museum and walking tracks gave the students an insight into what early explorers found as they sailed into Botany Bay. The weather was exceptional and a great day was had by all.

These are some of the comments written by students after the excursion:

“We did a reinaactment of Captain Cook’s landing on the Endeavour. I was a sailor on his ship”.
“I enjoyed trying to communicate with the native birds”.
“We learnt that the aboriginal women fished in handmade bark canoes”.
“We ate bush Tucker and the leaves tasted like peas”.
“We learnt many things about Captain Cook and The aborigines and I would like to go there again”.

Our sincere thanks to all families who donated lollies to our July collection, your generosity is greatly appreciated. For the month of August we are requesting new novelties, gifts or toys that can be used as prizes on our BBPS stalls. Please ask your child to take your donation to their classroom and we will be collecting from each class.
