PRINCIPAL’S REPORT

We are fast approaching the end of Term 3. This Tuesday we will acknowledge the success and achievements of many students at our Term 3 K-6 combined Values & Pennant Assembly. All parents are welcome to join us at 1.40pm under the hall COLA. We have had to hold our assembly after lunch because Year 2 have been participating in their Intensive Swimming Scheme.

Last week Year 4 students participated in their DigiEd Incursion. Students worked together to create a movie using clay and stop-motion photography. It was wonderful to see students using their creative skills and working so cooperatively.

Kindergarten students were all very excited as they boarded the bus last Friday to travel to Symbio Zoo. The children all had a wonderful time. Thank you to the many families who attended our Fathers’ BBQ breakfast and a big thank you to the many parents who assisted with the breakfast and the Fathers’ Day Stall that followed. It was great to see so many of our community enjoying breakfast together. All the boys and girls had a wonderful selection of gifts to choose from.

I would like to acknowledge the great work of our preservice teachers who have been working this term with the students from 4-5T (Mr S Hayes), from 5-6G (Miss T Curtis), from 4N (Miss K Hanrahan) and from 6R (Mr Tromp). We wish you well in your future careers in teaching.

Please remember that Burraneer Bay Vacation Care will be operating in the holidays from 7am-6pm, caring for children from Kindergarten - 12 years. The public are not permitted to use the school grounds over the holidays and the School Security Unit should be notified if anyone is using the school facilities unlawfully or behaving in a suspicious manner.

If you think people are trespassing during the holidays I encourage you to call School Security 1300 880 021

Our wonderful canteen is still in need of some volunteers for Mondays please. If you are able to assist for a couple of hours please let the canteen supervisors know.

The P&C also needs volunteers to help with uniform sales on our Kindergarten Orientation Days 1 and 2. If you are able to spare a few hours on either morning, it would be greatly appreciated please.

Keep up to date with what is happening in relation to the BBPS Spring Fair. Go to www.burraneerb-p.schools.nsw.edu.au/our-school/p-c-association/spring-fair and visit the BBPS Spring Fair Facebook Page

Many students have been designing the cover of the 2015 Year Book following the theme “My Hero” The P&C Year Book Committee is now offering sponsorship space as advertising. If you are interested in promoting your business in our Yearbook, you may choose from a full page, half page or quarter page advertisement or a sponsorship banner. Please fill out the booking form (elsewhere in this newsletter) to secure your ad in the 2015 edition available in December. This will also be sent home as a hard copy.

Congratulations to our Year 6 students who have facilitated our Peer Support activities. They have all been so helpful supporting the children in their groups. A big congratulations goes to Lachlan Bird and Adam Singleton for being selected into the top eighteen cricketers trialling for the Sydney East Regional Team.

I would like to wish all students a safe and restful Term 3 holiday,
Greg Fitzgerald
Principal

KEEPING STUDENTS SAFE ONLINE

WHY YOUR CHILDREN SHOULD NOT BE ON FACEBOOK

Recently Snr Constable Debbie Wilson continued with her presentations to Years 5 and 6 students on ‘Staying Safe Online’. Staff were alarmed to discover the number of students with their own Facebook account.

Read why Dr Justin Coulson, one of Australia’s most respected parenting speakers and Honorary Fellow at the University of Wollongong, and a Senior Associate at the Positive Psychology Institute, believes so strongly WHY YOUR CHILDREN SHOULD NOT BE ON FACEBOOK

Dr Coulson says:

“In recent months my 11 year-old daughter has been endlessly begging, pleading, ‘dying’ to let me set her up with a facebook account.

“Everyone has got one dad.”

“They’re calling me names because you won’t let me have one.”
“Children should NOT be on facebook. In fact, children should NOT even have telephones that are more computer than phone!”

SCHOOL HOLIDAY ROAD SAFETY REMINDER FOR FAMILIES

With the school holidays approaching, daily routines will soon change. Different play locations and holiday destinations mean different traffic environments.

So to help keep our children safe, families are reminded about these key road safety points:

- **Stop, look, listen, think every time you cross the road.**
  If your child is aged 8 years or younger hold their hand when walking near or across roads. If your child is 9-10 years old always actively supervise them.

- **It’s the law that everyone wears a helmet when riding a bike in a public place.**
  It makes sense to wear a helmet when riding scooters and skateboards too!

- **Click clack front ‘n back every person for every trip.**
  Everyone in the car must be securely buckled up in the right seatbelt or child restraint.

- **Talk to your child about being a safe road user.**
  Reinforce safe road behaviours by being a good role model! Children learn safe road behaviours from the adults who care for them. Talk about what you are doing to be safe when near roads, in the car and when riding.

- **Point out road safety differences and dangers in new environments.**
  This is especially important when on holidays in different surroundings. Roads, footpaths, parks, carparks, bike tracks and bike lanes may look different in holiday areas.

The best way to keep your child safe is to actively supervise them.

**Talk and teach your child about road safety every time you are out and about.**

**Remind other adults who care for your children to do this too.**

You can find out more at:

- Safety Town
- Department of Education
- Transport for NSW

Have a safe holiday break!

ETHICS CLASSES (TEACHERS REQUIRED)

Ethics classes have been very successfully running again this year at the School. Unfortunately, due to work commitments our Ethics teacher for Stage 2 (years 3&4) is unable to continue. We would like to invite those interested in taking her place to contact us, with a view to undertaking training and commencing as soon as reasonably possible.
The Primary Ethics curriculum is enquiry based and children use dialogue and discussion to learn how to think about ethical matters through the give-and-take of reasoned argument. The job will require on average 1-2 hours of your time (including preparation) per week. If you would like to become an Ethics Teacher at our school and for some more information about volunteering for Primary Ethics please go to www.primaryethics.com.au or let the school know and we will put you in touch with the coordinator.

Primary Ethics is a not-for-profit organisation and the NSW Department of Education authorised provider of ethics classes. All our volunteers are given training and support.
