PRINCIPAL’S REPORT

It is extremely rewarding to see how well all the children are settling into routines and trying their PERSONAL BEST. The way Kindergarten students are supported by their Year 6 buddies is a credit to all of them, their families and their teachers. I have heard of many stories of selflessness and service where senior students have gone out of their way to assist younger students. At Burraneer Bay we have a strong Values Program. Our core values are Respect, Fairness, Friendliness, Responsibility, Personal Best and Integrity and all students are
encouraged to demonstrate each of the school values in their relationships with others. It is great to see our school values in action. Children will always tell you that what they like most about school is the time spent with their friends. We are very proud of the way our Year 6 students have demonstrated the value of FRIENDLINESS to their buddies and the way students from other classes have welcomed other new students to BBPS.

Following three very busy weeks not only have we conducted a very successful school swimming carnival but all primary students have been placed into their various sporting groups and all students who wanted to be in a dance group have been accommodated. Similarly our junior and senior bands have begun rehearsals and tutorials in earnest and each of our choirs are beginning to take shape. Thanks to parents for returning the Scripture/Ethics sheet so that all children can be placed according to your wishes. Excursion plans are in place with Year 6 heading for the Imax theatre next week, Year 5 to Minnamurra Falls and Year 4 to the Royal National Park later this term and Matletics passwords are being allocated to students (this takes an extraordinary amount of time – thanks Mrs Moss).

Students striving for their PERSONAL BEST were evident at the school swimming carnival recently. Congratulations to all our swimmers for their enthusiasm, determination and and the encouragement given to one another. It was great to see so many students trying their best and supporting each other through good sportsmanship. Special congratulations go to Jade Oliver and Connor Dibben who both broke records. Special thanks also goes to our carnival coordinator Mr Fisher, parents and the teaching staff who all assisted in the smooth running of the carnival.

Parent Teacher Information Sessions
Teachers of Kindergarten to Year 6 will be conducting Parent Information Evenings this week. Dates and times were sent as a hard copy and electronically to all families. I hope that you will be able to attend. You will be introduced to the staff on each grade and be provided with information about the teaching and learning programs that your child will be involved in throughout 2016. Please remember that the information evenings are not for private interviews. If you are concerned with any aspect of your child’s transition to school in 2016 please phone the office to arrange an interview time with the class teacher(s). Thank you to our wonderful teachers who will be staying back after school or coming in on their day off to present these important sessions.

K-2 Assemblies
This Wednesday K-2 will have its first assembly for the year in the hall. The K-2 Assembly commences at 2:30 pm. Parents and friends are invited to attend. Each class has a turn at running the assembly. Parents and friends must wait until the Burraneer Bay Rd gates are open before entering on to the school site. We ask if toddlers are attending the assembly that they sit quietly as the loud volume can be very distracting for the K-2 children who are attempting to listen attentively.
Burraneer Bay Public School Staff

Mr Sheen is currently on leave and will be returning on Monday, 7th March. Ms Kidson (M/T/W/Th) and Mrs Tolman (Fri) will continue teaching 3S until Mr Sheen returns.

We warmly welcome Miss Tout back to our staff after participating in a Teacher Exchange Program. Miss Tout is well known to many BBPS families and teaches Year 3. I would like to commend three of our teachers who have recently completed the requirements for Accreditation at Proficient Teacher Level. Mrs Luostarinen, Mrs Fava and Miss Warren have recently completed a rigorous process that involves collecting evidence that address the Australian Professional Standards at the required level. ANAPHYLAXIS & GENERAL USE ADRENALINE AUTOINJECTORS

All government schools have a general use adrenaline autoinjector (an EpiPen) in their first aid kit. This does not replace the need for parents to continue to provide the school with an adrenaline autoinjector and ASCIA Action Plan for Anaphylaxis signed and dated by their doctor when their child has been diagnosed with anaphylaxis. Instead the general use adrenaline autoinjector is intended to be used if:

- An undiagnosed student has an anaphylactic reaction at school
- There is a misfire of the adrenaline autoinjector that has been prescribed for a student
- A student requires further adrenaline autoinjector to be administered after his or her own adrenaline autoinjector has been administered.

If your child is diagnosed at risk of a severe allergic reaction, particularly anaphylaxis, the Anaphylaxis Procedures contain information for schools and parents designed to minimise the risk to students. If your child has an allergy it is important to let us know.

All families are asked to assist the children in our school who are anaphylactic. Children are not permitted to share food and they are often reminded of this. I ask your cooperation in not sending any of the following foods for your own children, whilst they are at school: Peanuts and or peanut butter, other nuts (including cashews, hazelnuts, walnuts, pistachios, macadamia, Brazil nuts & Nutella) and muesli bars containing nuts. Thank you for your support.

BIRTHDAY CAKES

To celebrate a child’s birthday parents sometimes bring cakes to school. Please speak to your child’s class teacher to check if it is convenient before you bring cake to school. Only cupcakes, donuts or large slab cakes pre-cut into pieces will be accepted. Please provide serviettes. All cakes must be nut free. Please do not send in lolly or party bags as we are not able to distribute them. Similarly, it is not appropriate to provide ice blocks as birthday treats because of the difficulties associated with storage. Please speak to your child’s class teacher if your child is anaphylactic to make arrangements for a suitable treat or cake to be available.

STAFF CAR PARKS

The staff car parks are for staff use and delivery vehicles only. Drivers of vehicles who park in the Staff Car Park will be asked to move their vehicle. The disabled car spaces are for drivers with the relevant permits or who have made a special arrangement via the office.

CONTACTING THE SCHOOL

Please note that personal messages cannot be conveyed to pupils unless in extreme emergencies. Please direct all communications through the office staff. Please remind your child in advance about the arrangements you have in place when the bell rings at 3.10pm. Don’t hesitate to write the class teacher(s) a note if preferred.

CODE OF CONDUCT FOR PARENTS AND VISITORS

This code is available from the office and outlines the standard of behaviour expected of adults when entering the school playground and classrooms. Kindergarten parents will receive this note as a hard copy. Schools should be places where students, staff, parents and visitors to the school feel safe and happy. Ensuring that our school remains a pleasant and safe place for all is the responsibility of all
who enter the school grounds. A code of conduct for parents and visitors ensures that everyone who visits the school site is able to do so in a safe and harmonious manner and to ensure that students, staff, parents and other visitors are not subjected to aggressive, hostile or violent behaviours.

No parent should directly approach another person’s child. This applies at school and when children are travelling to and from school or on an excursion. The school will deal with issues between students as part of the school’s Discipline and Welfare policy. Additionally, it is totally inappropriate for parents to enter a classroom when there is no teacher present in the room.

Working With Children

Under new ‘Working with Children Check Procedures’ (June 2013) volunteers who have direct contact with children are required to complete a ‘Working With Children Check Declaration for Volunteers and Contractors (Appendix 5) and a Proof of Identity that meets the 100-point check (Appendix 6). Both documents will be filed in secure storage. Forms are be available on the office counter and must be completed prior to working in a volunteer capacity.

FOOT SCOOTER AND BICYCLE SAFETY GUIDELINES

At Burraneer Bay Public School only students in Years 4-6 are permitted to ride their scooter or bike to and from school. Parent/carers are to provide written permission that indicates that they are responsible riders, and are able to travel independently to and from school. A note will be sent home detailing our expectations. Year 3 can do so commencing Term 2.

Riders who bring their foot scooters or bikes onto school grounds, are responsible for:
- Completing a Foot scooter or Bike rider’s agreement and rider’s permission note, issued by the school and available from Mr Knoflack. This is to be completed and returned to the Principal.
- Dismounting before entering the school grounds and walking with them whilst on the school grounds.
- Storing their foot scooter or bicycle in the designated area after 8.40am and prior to the morning assembly.

Students will not be permitted to collect their foot scooter or bike from the designated area until after 3.10pm. Foot scooters, helmets and protective gear are brought and stored at school at the owner’s risk. Students who do not comply with the signed agreement will not be allowed to bring their bike/scooter to school.

KINDERGARTEN & NEW FAMILIES MORNING TEA

Thursday 25th FEBRUARY, 2016 9.15am

Transitioning to school can be exciting and challenging. We want to help support a positive start to school and see Kindergarten be a positive experience for yourself and your child as they settle into their new surroundings at Burraneer Bay Public School.

It is our hope that you experience a smooth transition and that you and your child find their sense of belonging, inclusion and connectedness to our school community.

We would like to invite parents and caregivers to a morning tea for Kindergarten and new families in grades 1-6 to provide an opportunity for you to meet one another. Morning tea will be held in the hall on Thursday 25th February 2016 at 9.15am.

**K-2 EGGSHIBITION**

*Thursday, 24th MARCH, 2016 9.20am*

Our Easter Eggshibition is on Thursday, 24th March, 2016 at 9:20 am. This year Easter falls in the school term and we will have our festivities before Easter. We will begin with an assembly in the hall, and then we will go to the INFANTS COLA where the children will have their Eggshibition. You are invited to view the Eggshibitions of all the children and to join us for morning tea.

The Eggshibition involves the children making a scene which involves an egg (any of the following could be used; a *foam* egg, a *plastic* egg, a *chocolate* egg), which can then be placed on exhibition. This can be placed in a cardboard box, on a tray, made of lego etc. You and your child can recreate a scene from your favourite movie with the main characters as the eggs. Alternatively, you could recreate your favourite characters from a book or you could simply create a scene from everyday life such as eggs playing soccer or eggs going to the beach. It is up to you and your child’s imagination.

PLEASE NOTE WE HAVE CHILDREN WHO HAVE SEVERE ALLERGIES TO EGG SHELLS AND EGGS THEREFORE WE ASK THAT **REAL EGGS ARE NOT USED.**

We will have the Weekly K-2 Assembly at 9:20 am then the Eggshibition will be set up under the Infants C.O.L.A. Please do **not** send your child’s Eggshibition in before Thursday 24th March, 2016. We ask that on the day of the Eggshibition you bring the exhibit to your child’s classroom.

If you have any further questions please do not hesitate to ask your child’s teacher.

We thank you for your cooperation and support.

Mrs Takacs and Mrs Maidment

**UPDATE FOR ALL SCHOOLS USING PARENT ONLINE PAYMENT (POP)**

Paying online is a process parents are very familiar. The convenience it provides of being able to make payments on line is very much appreciated by both parents and office staff. It is important to note that when making a POP Payment, the payment needs to be made **two days prior to the due date** to allow for the payment to be received by the school on time.

The Department of Education has advised that POP is now user friendly on mobile devices. Behind the scenes Westpac has been working on an upgrade to the Parent Online Payment webpage attached to the school’s website. In the past using the ‘$ Make a payment” page through a mobile device or tablet has not been as easy as on a computer. Now, automatically, when parents click on this page, via a mobile device, they will be able to complete the online form with ease.

Payments can be made online using either a Visa or MasterCard credit or debit card. The payment page is accessible from the front page of the schools website at www.burraneerb-p.schools.nsw.edu.au by selecting **$ Make a payment.**
You also need to complete the section on the permission note ‘I have made an online payment. My receipt number is ________________

GRADE REQUIREMENTS/RESOURCE LEVY
In order for our school to provide a comprehensive education for your child, it is necessary for us to charge a Resource Levy. Essential resources are required by each grade every year. Items such as exercise books, photocopy paper, cardboard and art supplies are some of the items that are included in the Resource Levy. Teachers have begun handing these items out. Parents and carers will receive information regarding the Resource Levy early next week. It will be sent home separately with a Statement of Account for each family. This statement will list all payments required this term. It is requested that the Resource Levy be paid by Wednesday 16th March 2016. Families are encouraged to pay the full annual amount.
Cash payments in envelopes should be placed in the office letterbox by 11.30am. Please try to have the correct money as we do not hold large amounts of cash in the Office. Alternatively, parents can pay by credit card - Visa or Mastercard. Most excursion costs are invoiced separately to the Resource Levy.

SCHOOL CONTRIBUTIONS 2016
The each year schools request a Voluntary Contribution from parents and carers to assist with the financial management of the school and to supplement existing funding. Our school relies on these contributions to provide quality learning programs for our students. This voluntary payment is in addition to the Grade Requirement/Resource Levy and is an essential part of our school’s budget. It impacts enormously on our school’s ability to provide and maintain quality teaching and learning programs for our students. Although it is voluntary, all money that is contributed is used to purchase equipment and resources for all students.
The Burraneer Bay School Contribution is $80.00 for one child or $120.00 per family with two or more children.
A separate note will be sent home detailing payment to the office. Payments can be made via the office letter box before 11.10am by cheque, cash or Eftpos. Receipts will be issued.

READING FOR SUCCESS
Reading for Success is a Literacy Program which operates Monday, Tuesday, Wednesday and Thursday mornings from 9.10 am to 10.30 am. This program provides individual students from Years 1, 2 and 3 with an opportunity to improve literacy skills and build self-confidence. The success of the program relies on the support of community volunteers. We have vacancies for volunteers to join us in this program. If interested please contact Mrs Veronica Fagan LaST (Mon, Tues and Thurs) or Mrs Jo Carr.

PARENTS AND CITIZENS ASSOCIATION

All parents and carers are invited to attend the Annual General Meeting to be held in the staff room on Tuesday 1st March at 7.30pm and to nominate for any of the following roles. In addition there are many other sub committees that need the assistance of volunteers.

P&C President

The President is responsible for:

• The successful functioning of the P&C Association meetings
• The attainment of the P&C Association’s objectives
• Ensuring that the P&C Association takes part in decision-making processes in the school
• Fostering fair participation of all members and ensuring that all new members are made to feel welcome
• Supporting volunteers
• Consistent adherence to the constitution
• Acting as the P&C Association’s spokesperson when public statements or actions are needed
• Setting up lines of communication with the Principal
• Being signatory on the Association’s bank accounts
• Chairing meetings, in the absence of the President, one of the Vice-Presidents will chair the meeting or the meeting can elect a chairperson from the members present for that meeting.

P&C Vice President (x2)

The Vice President supports the President, Sub Committees and the school. It is a role ideally shared between two people. Responsibilities are generally split with each Vice President overseeing particular subcommittees.

The Vice President will:

• Support the President and Committee members
• Take Minutes in the absence of the Secretary
• Represent the P&C President in their absence.

P&C Secretary

The Secretary is responsible for carrying out the administrative tasks related to the decisions of the meetings as resolved. The Secretary prepares, in consultation with the President, all meeting agendas. The Secretary is required to attend P&C Association meetings and take notes of the discussions in order to produce a set of
Minutes for subsequent distribution to members and for receipt, possible amendment and adoption at the following meeting. (In the absence of the Secretary the meeting should elect a person to take the Minutes, this person should be identified in the Minutes.) Further, the position includes receiving and tabling all correspondence as well as writing and dispatching outgoing correspondence as resolved/appropriate.

**P&C Treasurer**

The Treasurer receives and deposits monies, maintains records, draws cheques* and presents accounts. The Treasurer also ensures that all funds held and handled by P&C are properly and openly accounted for as the Treasurer is responsible for all funds held in the name of the P&C Association. This includes all P&C Association committees. This does not mean that the Treasurer must undertake the actual bookkeeping themselves but they must ensure that the various sub-committee financial records have been kept to the Treasurer’s satisfaction. The Treasurer is a signatory on the P&C accounts and should not delegate this responsibility. The Treasurer should encourage members to understand the state of the P&C Association finances. The Treasurer must ensure a case book or books are kept, recording all financial transactions of the P&C Association.

NSW PREMIER’S READING CHALLENGE 2016

Once again all students at BBP5 are registered for this year’s Premier’s Reading Challenge. The Challenge officially commences in March however children may start reading and keep a written record of what they have read. Once the PRC site goes live in March they will be able to log their books online.

PLEASE NOTE: KINDERGARTEN and YEAR 1 children will complete the Challenge at school with their class teacher – Kindergarten & Year 1 parents will be asked to record the books online [later in the year] to ensure your child will receive a PRC certificate.

Further information about the PRC will be provided at a later date.

All details, rules and booklists for this year’s challenge can be found at https://products.schoo ls.nsw.edu.au/prc/home.html

Parenting Teenagers for Busy Parents

This course presented by experienced family therapist Yvonne McDonell, and is designed to assist busy parents with the skills and information you need to parent your teenager.

We will take a little time out of our busy lives to meet other parents, and have fun as we discover:

- What makes the Teenage Years so difficult? Modern theories of adolescent development will be covered.
- How to Communicate with your teenager – maybe difficult but not impossible.
- Raising the Self Esteem of everyone in the family.
  Yes. We can!
- Teaching Teenagers to take on more responsibility. Let’s face it. It’s time!
- There are some tricky things we need to cover like social media, drugs, teenage anger and lying.

We will meet at Orana, 3a Stapleton Avenue Sutherland on Wednesday 9th March from 7 p.m. to 8.30. with refreshments and a chat available 8.30 to 9 p.m.
The basic course will run for five weeks. For those parents who are interested in further developing their skills, an advanced course will be offered in Term 3 and attendance at the Introductory Course will be an entry requirement.
Cost $75 includes a book for parents and refreshments. Numbers are limited. To book or access further information, phone Orana on 95218280 or Yvonne McDonell on 95215130. (If the cost is prohibitive, please contact us to discuss)
