Burraneer Bay Values Education

We value the efforts of all the students and the staff and the support we receive from our school community.

We would love to have you visit our school on Open Day and share in our celebrations. The children strive to achieve their personal best and love to share their success with you.

You are invited to stay and have recess with your children. The canteen will be serving food and drinks.

The students and staff of
Burraneer Bay Public School
